Important information about your BMO Mastercard account

Lost or stolen cards: You must tell us immediately if your card is lost or stolen or if you suspect it is lost or stolen. If your card is used without your authorization, you will not be liable if: you didn't knowingly contribute to the unauthorized use; you used reasonable care to keep your card safe from loss, theft or misuse; you kept your PIN confidential and separate from your card; and you notify us by phone within 24 hours if you learn of the loss, theft or misuse of your card or if you know or suspect that someone else knows your PIN. If you don't meet these criteria, you will be liable for all charges incurred in connection with the unauthorized use. It is important that you safeguard your card as well as your PIN and any credit card cheques that you have.

Interest charges and calculation: The interest rates we charge are shown on your account statement and card carrier. For information on how we calculate interest charges, refer to your BMO Mastercard Cardholder Agreement available at bmo.com/pdf/infocha

How we apply payments to your account: When we receive a payment, we apply it to your account as outlined in the Cardholder Agreement. Your payments are processed the day we receive them. You must make sure that we receive your payment on or before the payment due date shown on your account statement.

Your minimum payment: You may pay your account balance in full at any time. By the payment due date shown on your account statement, you must pay at least the minimum payment. To calculate your minimum payment, we add \$10 to the amount of interest and fees shown on your account statement. In addition to that amount, we also add to your minimum payment the larger of any amount past due on your account statement or the amount by which your new balance exceeds your credit limit. If your new balance is \$10 or less, you may pay the full amount.

If your account is in collection or charged off status, we may make alternative payment arrangements with you.

Foreign currency transactions: Canadian dollar card: The exchange rate for converting foreign currency transactions to Canadian dollars is the rate charged to us by Mastercard International ("MCI") plus **2.5**%.

The exchange rate for converting refunds of foreign currency transactions to Canadian dollars is the rate charged to us by MCI minus **2.5%**. We make the conversion on the date the transaction or refund is posted to your account.

U.S. dollar card: The exchange rate for converting non-U.S. dollar transactions to U.S. dollars is the rate charged to us by Mastercard International ("MCI") plus 2.5%. The exchange rate for converting refunds of non-U.S. dollar transactions to U.S. dollars is the rate charged to us by MCI minus 2.5%. We make the conversion on the date the transaction or refund is posted to your account.

Estimated Time to Repay: In calculating the number of years and months required to repay an account balance shown on an account statement if you pay only the minimum payment due each month on the payment due date, we assume that the current annual interest rate for purchases will apply throughout the repayment period. We also use such other assumptions as are required or permitted by applicable law.

Disputes: Report any items which do not agree with your records within 30 days of your statement date. For your convenience, you can also check your recent transactions at www.bmo.com/onlinebanking or via BMO Mobile Banking.
